# FROM OUR PRINCIPAL

There is lots of fun and excitement at SHCS! This week, we enjoyed hosting the Small Schools Fun Day with over 100 students from the SH District schools. Our F-2 students had an awesome day of fun activities and making new friends. Well done to our Year 3-6 Cricket and T-Ball teams in their great sporting efforts too! Coming up, we are excited to be hosting an Easter Egg Hunt. This is an open invitation to the SH community, and we really encourage our students to bring a friend! More info coming. Finally, I wish to thank Wendy Taylor, our Year 5/6 teacher, who is moving back to Gippsland. We have loved having Mrs Taylor at our school and wish her all the best in her next adventure!

## GET THE WORD OUT

Here at SHCS, we are proud of our community and we want to share what we have with all of Swan Hill!

As we are doing all we can to grow our wonderful school, we encourage you to join us by taking part in any way you can. You can regularly share and comment on our social media, and even take a few minutes to write a meaningful Google review. Just by doing this, more people will be able to find our school.

We hope that together, by sharing our love for our community, we will lead more families to join us!

## BOTTLE CAPS & BREAD TIES

The project for bottle caps has ended, but our local Neighbourhood House is still collecting bottle caps and bread ties. We are going to continue to be a collection point for these items.

You can send these items to school with your child or drop them at the office. Please remember: bread ties need to be plastic not cardboard.

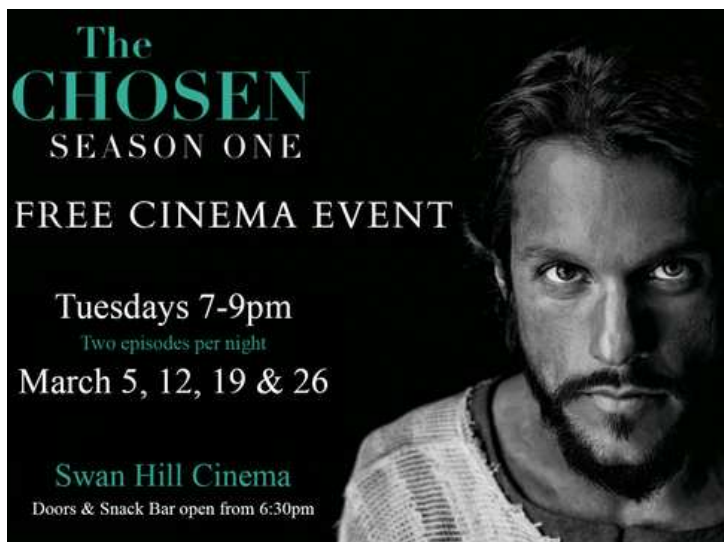

## FREE CINEMA EVENT

Over 4 Tuesdays in March, THE CHOSEN will be screened free at the Swan Hill Cinema.

What is THE CHOSEN? It is a multi-season series about the life and ministry of Jesus of Nazareth. Primarily set in Judaea and Galilee in the 1st century, the series centres on Jesus and the different people who met and followed or otherwise interacted with him.

Come and check it out! Perhaps you can invite family and friends with the flyer attached to the end of this newsletter.

## PARENT LIBRARY

The 5 Love Languages of Children

You love your child, but does your child feel loved? Every child has a unique way of feeling loved - a love language. Discover your child's love language (and how to speak it).

This book offers parents, carers and teachers practical advice to strengthen loving parent-child relationships and teacher-student connections.

Available now in our Parent Library.

## SUMMER SPORTS & FUN DAY

The Year 3-6 students had loads of fun and braved the heat playing T-Ball and Cricket at Ken Harrison Reserve this week.

The F-2 students hosted students from the other small schools at a Fun Day with different stations of activities for all to participate in.

## JOIN US IN PRAYER

We invite parents and carers, grandparents and friends of our school to join us in prayer. On Wednesday afternoon (March 13) at 3.30pm, our school community will meet in the Community Room to pray - to give thanks to God for His blessings to our school so far this year, and to ask God for and trust that He will provide all that we need.

Parents and carers are advised that during this time of prayer, children will be under their care.
